

## Ultra1Plus<sup>™</sup> Premium universal tractor hydraulic fluids J20C

### Product description

**Ultra1Plus<sup>™</sup> Premium universal tractor hydraulic fluid, J20C** is formulated with high-viscosity index base stocks and premium performance additives.

This multipurpose oil is designed for use in transmissions, differentials, hydraulic, and power-steering units in many different makes of tractors and farm equipment.

Designed for all-season use, this multi-grade oil is specialty blended to prevent rust, corrosion, foaming and oxidation. This oil exceeds the performance of John Deere's J20C specification.

### Product features & benefits

- Prevents seal and pump deterioration.
- Outstanding thermal and oxidative stability.
- Excellent frictional properties for smooth-shifting.
- Protection against varnish and sludge formation.
- Proper frictional control for wet brakes and wet clutches.

### Product code

Presentation	SKU	UPC
5 Gallon Pail	UCPTHFJ20CP	810050653763
55 Gallon Drum	UCPTHFJ20CD	810050653756
265 Gallon Tote	UCPTHFJ20CT	810050653749

### Suitable for use

<b>John Deere</b>	J20C				
<b>New Holland (Ford)</b>	FNHA-2-C-201.00 (M2C134-D)		M2C41-B	M2C48-B	M2C53-A
